

PROPOSAL: DEBTORS BOOK FINANCE

Executive summary.

Founded in 2019, Makanda Debt Collection is solely inclined towards assisting all kinds of businesses, industries as well as individuals in extinguishing their nonperforming debts and/or debt books. It is for this sole purpose that Makanda Debt Collection is introducing debtors book finance, to provide financial rescue to those who want to quickly get paid, improve their revenue, income, cashflow and reduce the magnitude of bad debts by letting us purchase their books.

Why choose us?

Debt collection is no doubt a tedious and emotionally draining process to an individual as well as time and resource consuming to most businesses. Not everyone has the necessary ability and skills to conduct effective debt collection processes. Makanda Debt Collection has the required resilience to effectively and in a timeously manner collect from debtors what is due by them.

Makanda Debt Collection promises

- Favourable buy amount offers.
- Timeous pay outs.
- Enter into a written agreement that is legally binding.
- Adherence to obligations that arise from the cession of debtors book agreement.

The solution proposed through sell and purchase of the debtors books

- Financial rescue.
- Improved cashflow.
- Cash advances.

- Quick, timeous payments.
- Improved and well performing books
- Tailored agreements that specifically suit your situation.

Costs.

Buy offer

- The buy amount is considered on the age of each debt account.
- 75% buy offer for debt accounts under 90 days old.
- 55% buy offer for debt accounts between 91 – 180 days old.
- 35% buy offer for debt accounts between 181 - 200 days old.
