PROPOSAL:

DEBTORS BOOK FINANCE

EXECUTIVE SUMMARY

Founded in 2019, our debt collection department is solely inclined towards assisting all kinds of businesses, industries as well as individuals in extinguishing their nonperforming debts and/or debt books. It is for this sole purpose that Makanda Debt Collection is introducing debtors' book finance, to provide financial rescue to those who want to quickly get paid, improve their revenue, income, cashflow, and reduce the magnitude of bad debts by letting us purchase their books.

WHY CHOOSE US?

Debt collection is no doubt a tedious and emotionally draining process to an individual as well as time and resource-consuming to most businesses. Not everyone has the necessary ability and skills to conduct effective debt collection processes. Makanda Debt Collection has the required resilience to effectively and in a timeously manner collect from debtors what is due by them.
